Most significant change/postcard

Surya Bahadur Tamang-25, NP-56,Dadagaun joined the Triangle Support Project. His life was very hard because of the big families (all together 15 members) and he have no job. so it was very difficult in obtaining food because of low income. His family frequently needs to knock on the door of the local moneylender. The traditional agriculture system has not been able to provide the enough food for this family, providing only 4 to 7 months of food sufficiency from their own production.

After joining the Triangle project, he obtained the NRs 10,000 through a village committee microloan without any interest, which he used for vegetable farming. After few months he was able to produce different types of vegetables and he sold it in the local market at good cost and gained Nrs. 20,000.00 and Now he has some vegetables left. All of family members are supporting him in it . His income is increasing steadily and he is not suffering from any type of financial crisis to handle the household economy and now he would like to thank Triangle/ASK and the donors who supported him and the village Dadagaun.

6. How were beneficiaries selected?

After finishing the settlement level planning the village committees' members again organized the meeting and made the criteria for distribution of money. Generally the villagers followed priorities for the distribution of money used by LGCDP(Local Government Community Development Programme):

- Families with no or very little land
- Poor housing conditions
- Lack of food for the whole year
- Persons with labor-based livelihoods (for others)
- Unemployed families
- No guarantee for settlement, etc
- Most earthquake affected persons (This year's priority)

7. Ongoing activities update, results of the activities

All planned activities were completed, which are described below:

– Scholarship supported –20,000

Nrs 55000.00 rupees were invested in micro loans to women poor and earthquake affected family's income generation and from this money, 9 persons benefitted in different income based activities.

8. Doing Democracy training

From the relevant rubric: What did you learn from the training? Any improvements in the village because of the applied method? Any conflicts as a result of the activity? (Learning)

Public Social Audit: The people and the facilitators have learned that this is a necessary component to make the government and service provider accountable. We have trained the villagers, but the actual VDC Public Social Audit will take place later this year in the new context of restructure of federal state Nepal)

Community Score Cards: NA

Right to Information : Facilitators are developed and started to mobilization for public awareness.

Other methods (SLP): This is a very good and participatory method to know the planning system and the selection of most needed projects.

9. Micro finance update

9.1 Money collected in the fund for microloan

The fund for providing microloans has increased over the last five years. Apart from the 50,000 NRS from 2016, a sum of 50,000 The families, who got the micro loan for goat raising, small poultry business promotion, vegetables farming.

They feel that their livelihoods is improving, and would therefore like to remember those who supported the village. The women, children and all the villagers' health and living situation has improved because of income generation activities and awareness. Now they are happy and give many thanks to the supporters of their village with new concepts. People from the village are continuing their regular savings and credit in a sustainable way and almost all villagers are involved in the micro-credit group also. A lot of success has been achieved. For this report one of the most significant changes is the story that has been included in front page of this report.

9.2 Use of microloan and status

- 9 families got microloans amounting to Nrs 55000.00 (8 persons*Nrs 6000.00 and 1 person*Nrs 7000.00) and have started raising goats and vegetable farming.
