What did the villagers decide to spend the funds on?	The villagers decided to spend the granted Nrs. 86,000 by investing 40,000/- soap making and candle making microloan, 35,000/- for goat farming microloan, 11,000/- for scholarships and Nrs.650,000 Health post repairing from Triangle earthquake disaster support and rehabilitation.				
Has the committee received the funds yet?	Yes.				
Activity plan	The villagers has to spent the granted Nrs. 736,000 by investing 40,000/- soap making and candle making microloan for 4 persons, 35,000/- for goat farming microloan for 5 persons, 11,000/- for scholarships. and Nrs.650,000 Health post repairing as a disaster support and rehabilitation.				
Who is responsible for the implementation?	The committee, facilitators and villagers.				
How were the beneficiaries selected?	The village committee organized the meeting and made the decisions to distribute the money. Generally the meeting classified the people in four groups (Class A, Class B, class C and Class D). They made some determinants to classify the people (land, yearly income, professions, literacy). They included the people in Class A who have more land , high income profession, and can save money from their yearly income. They include the people who can proceed their life only for nine				

	<p>month from their yearly income in class B, they include the people who can proceed their life only for six month from their yearly income in class C and they include the people who can proceed their life only for three month from their yearly income in class D.</p> <p>They selected 5 people from class D and decided to give microloan for goat farming and distribute the scholarships. The scholarships are continued for previous students.</p>
Did the villagers have any comments/questions for the Triangle?	They would like to thank the Triangle organization for its support, and they wish continuous help of the organization. And if they got the big amount of money fond they would like to use the fund for constructions of school buildings. Good rest places (Chautari), good roads etc. And they expected more loans for income generation.
