The villagers decided to spend the granted Nrs. 86,000/- by investing Nrs .15,000/- Microloan for vegetable farming, Nrs.60,000/- microloan for goat farming, Nrs.6,000/- path improvement and Nrs.5,000/- trading sewing machine.																																																							
Has the committee received the funds yet?	Yes.																																																							
Activity plan	The villagers spent all the money granted Nrs. 86,000/- by investing Nrs .15,000/- Microloan for vegetable farming for three persons, Nrs.60,000/- microloan for goat farming for 8 persons, Nrs.6,000/- path improvement and Nrs 5 000/- trading sewing machine 1 persons																																																							

Who is responsible for the implementation?	The committee, facilitators and villagers.
How were the beneficiaries selected?	<p>After finishing the settlement level planning, The village committee organized the meeting and made the decisions to distribute the money. Generally the villager followed some indicators for the distribution of money which is indicated by LGCDP (Local Government Community Development Program):</p> <ul style="list-style-type: none"> • The family with no or very little land. • Poor house condition. • Lack of food for whole year. • Labors for others for livelihood. • Unemployed family. • No guarantee for settlement, etc.
Did the villagers have any comments/questions for the Triangle?	They are very happy and they would like to thank the Triangle organization for its support, and they wish continuous help of the organization. And if they got the big amount of money fond they would like to use the fund for constructions of school buildings and big drinking water plan.
