6. How were beneficiaries selected?

After finishing the settlement level planning the village committees' members again organized the meeting and made the criteria for distribution of money. Generally the villagers followed priorities for the distribution of money used by LGCDP(Local Government Community Development Programme):

- Families with no or very little land
- Poor housing conditions
- Lack of food for the whole year
- Persons with labor-based livelihoods (for others)
- Uunemployed families
- No guarantee for settlement, etc
- Most earthquake affected persons (This year's priority)

7. Ongoing activities update, results of the activities

All planned activities were completed, which are described below:

Scholarship to the school going children has paid Nrs 3200 to the 10 children, to reconstruction of volleyball ground for youth was supported by parliament member and dress has been supported by the village leader so the money Nrs 71800.00 invested for micro loan to women, poor and earthquake affected family's income generation and benefited 6 persons in different income base activities.

8. Doing Democracy training

From the relevant rubric: What did you learn from the training? Any improvements in the village because of the applied method? Any conflicts as a result of the activity? (Learning)

Public Social Audit: The people and the facilitators have learned that this is a necessary component to make the government and service provider accountable. We have trained the villagers, but the actual VDC Public Social Audit will take place later this year in the new context of restructure of federal state Nepal)

Community Score Cards: It is one of the most important components to improve the government service to the peoples and make better and accountable of the service provider. In the process, health

posts will be targeted later this year.

Right to Information: Facilitators are developed and started to mobilization for public awareness.

Other methods (SLP): This is a very good and participatory method to know the planning system and the selection of most needed projects.

9. Micro finance update

9.1 Money collected in the fund for microloan

The fund for providing microloans has increased over the last five years. Apart from the 71,800 NRS from 2016, a sum of 206200 Nrs paid back from previous years added to make 278000 NRS for distribution in 2016. The families, who got the micro loan for goat raising, vegetables farming, ginger farming and small grocery shop in 2015 have successfully repaid loans amounting to 206200 Nrs.

The 40 families who got the micro loan for goat raising, vegetables farming, ginger farming and small grocery shop in 2015/016 have received a lot of benefits and extra money (Minimum Nrs 7000.00 to maximum Nrs 50000.00 extra in regular income) which was spent on dresses and books for their children, food and some clothes for the family. They feel that their livelihood is improving, and would therefore like to remember those who supported the village. The women, children and all the villagers' health and living situation have improved because of income generation activities and awareness. Now they are happy and give many many thanks to the supporters of their village with new concepts. People from the village are continuing their regular savings and credit in a sustainable way and almost all villagers are involved in the micro-credit group also. A lot of success has been achieved. For this report one of the most significant changes is the story that has been included in section 9.

9.2 Use of microloan and status

- 21 families got a microloan of Nrs 230000.00 (20 persons*Nrs 10000.00 and 1 person*Nrs 30000.00) and have started raising of goats.
- 5 family got microloans amounting to Nrs 48000.00 (3 persons*Nrs 10000.00, 2 Persons*Nrs 9000.00) and has started small grocery store.
