Pictures of Settlement Level Planning

Øverst til venstre og nederst til højre: landsby boerne arbejder på stien der går fra øverst på bjerget ned til vejen. De bruger bøfler til at hente varer ved vejen, og køerne som trækker ploven, skal også ned ad stien til rismarkerne der skal pløjes. Derfor er stien vigtig. Øverst til højre: landsbyformanden. Og nederst til venstre er fra landsbyplanlægningen.
