	Commercial vegetable farming	15	9	ADB
What did the villagers decide	The villagers decided to spend the granted Nrs. 90,000 by investing			

to spend the funds on?	NRs.20,000/- on water spring conservation, NRs. 15,000/- in poultry farm training, NRs.15,000/- toilet maintenance at Nandajyoti Primary School & 40,000 microloan for goat farming .
Has the committee received the funds yet?	The fund has been received.
Activity plan	All planned activities were completed, which are described below: <ul style="list-style-type: none"> • Nrs.16,000 was spent for water spring conservation. • Nrs15,000/- was spent to poultry business promotion training. • Nrs15,000/- was spent to repair the school toilet. Nrs.40,000 was invested in microloans for goat raising.
Who is responsible for the implementation?	The committee, facilitator and villagers.
How were the beneficiaries selected?	After finishing the settlement level planning, the village committee organized the meeting and will make the decisions to distribute the money. Generally the villager followed some indicators for the distribution of money which is indicated by LGCDP (Local Government Community Development Program): <ul style="list-style-type: none"> • The family with no or very little land. • Poor house condition. • Lack of food for whole year. • Labors for others for livelihood. • Unemployed family. • No guarantee for settlement, etc.
Did the villagers have any comments/questions for the Triangle?	They would like to thank the Triangle organization for its support, and they wish continuous help of the organization. And if they got the big amount of money fond they would like to use the fund for constructions of school buildings, good roads etc.

They are expected to be finalized soon.
Chhapgaun -NP 53	May 2015	All planned activities were completed	• NA

Reporting of Micro loan

Use of Microloan until 2014	<p>Micro loan total collected from pay back of loans: Nrs 90000 (Nrs 50000 from previous year and Nrs 40000 from 2014)</p> <ul style="list-style-type: none"> • 10 families got the microloan Nrs 65000 (5 persons*8000 and 5 Persons*5000) and started the goat raising. • 5 families got the microloan Nrs 25000 (5 Persons*5000) and started vegetables farming.
Major Achievements from Previous Year	<ul style="list-style-type: none"> • The 10 families who got loan for goat raising and vegetables farming in 2013, they got a lot of benefits and extra money (Minimum Nrs 2000.00 to maximum Nrs 7,000.00 per year) and spent it for the dress and books for their children, food and some clothes for the families. Now they have felt the improvement for their improved livelihood. Therefore, they would like to remember who support the village.
Impact of Settlement level planning	<ul style="list-style-type: none"> • Villagers have applied for 3 the projects from VDC and DDC but almost the money went for earthquake support, so this time this is not possible to support for the project application from the village.
Village situation after Earthquake and aftershock	<ul style="list-style-type: none"> • Almost all the houses are totally collapsed. The school building also cracked and it is difficult to teach inside the room. Many livestock shed are cracked and damaged. People are requesting more shelter but the VDC distributed very few.

Some Glimpse of the village after the earthquake
