REPORT FROM ASK/TRIANGLE

NP-53 CHHAPGAUN

KAVRE NEPAL

Most significant change/postcard

NP 53, Chhap gaun, *A public seating place now going to complete to construction (called Chihan parti - near death body burning place). Due to the no setting place during the death body buirning peroid People were fully affected from heat of sun, wind and from rain and sick for long time. Now it has been possible to save the life from those problems. Last year apart from triangeln fund applied and making the roof in the seating place. This year VDC has supported to making the permanent wall which will be more safe for live in the sad period too. It means money attract money with systamatic planning - settlement level planning. I was possible because of the support of Trianglen.*

6. How were beneficiaries selected?

After finishing the settlement level planning the village committees' members again organized the meeting and made the criteria for distribution of money. Generally the villagers followed priorities for

the distribution of money used by LGCDP(Local Government Community Development Programme):

- Families with no or very little land
- Poor housing conditions
- Lack of food for the whole year
- Persons with labor-based livelihoods (for others)
- Uunemployed families
- No guarantee for settlement, etc
- Most earthquake affected persons (This year's priority)

7. Ongoing activities update, results of the activities

All planned activities were completed, which are described below:

All 75000.00 rupees invested for micro loan to women, poor and earthquake affected family's income generation and benefited 9 persons in different income base activities.

8. Doing Democracy training

From the relevant rubric: What did you learn from the training? Any improvements in the village because of the applied method? Any conflicts as a result of the activity? (Learning)

Public Social Audit: The people and the facilitators have learned that this is a necessary component to make the government and service provider accountable. We have trained the villagers, but the actual VDC Public Social Audit will take place later this year in the new context of restructure of federal state Nepal)

Community Score Cards: It is one of the most important components to improve the government service to the peoples and make better and accountable of the service provider. In the process, health posts will be targeted later this year.

Right to Information : Facilitators are developed and started to mobilization for public awareness.

Other methods (SLP): This is a very good and participatory method to know the planning system and the selection of most needed projects.

9. Micro finance update

9.1 Money collected in the fund for microloan

The 15 families got the micro loan for goat raising, small poultry business promotion and vegetables farming in 2016 . The women, children and all the villagers' health and living situation has improved because of income generation activities and awareness. Now they are happy and give many many thanks to the supporters of their village with new concepts. People from the village are continuing their regular savings and credit in a sustainable way and almost all villagers are involved in the micro-credit group also. A lot of success has been achieved. For this report one of the most significant changes is the story that has been included in front page of this report.

9.2 Use of microloan and status

- 10 families got microloans amounting to Nrs 50000.00 (10 persons*Nrs 10000.00) and have started vegetable farming.
- 5 families got microloans amounting to Nrs 5000.00 (5 person*Nrs 5000.00) and started raising goat.
