#### 6. How were beneficiaries selected?

After finishing the settlement level planning the village committees' members again organized the meeting and made the criteria for distribution of money. Generally the villagers followed priorities for the distribution of money used by LGCDP(Local Government Community Development Programme) in this village also:

- Families with no or very little land
- Poor housing conditions
- Lack of food for the whole year
- Persons with labor-based livelihoods (for others)
- Uunemployed families
- No guarantee for settlement, etc
- Most earthquake affected persons (This year's priority)

#### 7. Ongoing activities update, results of the activities

All planned activities were completed, which are described below:

- Nrs 35000.00 were spent to build the community house with cooperative building.
- Nrs 40000.00 rupees were invested in micro loans to women poor and earthquake affected family's income generation and from this money 5 persons benefitted in different income based activities.

#### 8. Doing Democracy training

**From the relevant rubric: What did you learn from the training? Any improvements in the village because of the applied method? Any conflicts as a result of the activity? (Learning)**

**Public Social Audit:** NA

**Community Score Cards:** NA

**Right to Information :** NA

**Other methods (SLP):** This is a very good and participatory method to know the planning system and the selection of most needed projects.

#### 9. Micro finance update

##### 9.1 Money collected in the fund for microloan

Nrs 40000 has been distributed in 2016 as a microloan. People are happy with such kind of support to the village to address the basic and actually needed of the citizens. People are committed to show the actual change in near future. The impact/actual change will be seen next year.

## 10.2 Use of microloan and status

- 5 families got a microloan of Nrs 40000.00 (5 persons\*Nrs 8000.00) and have started raising of goat.
