Now she has confidence that that one kid will earn nearly Nrs 12000.00 after about a year and she will repay the micro loan, use some money for food and dress. She has plans to increase the number of goats next year in her farm because normally the goat gives kids twice in a year. Now she did not need to dependent on others for small financial crisis. Not only Saraswati but also her two children and the father in law are happy with this support from Triangle/Individual Danish donor.
