

REPORT FROM ASK/TRIANGLE

NP-47 MULABARI TOLE

GANDAKI PROVINCE - SYANGJA NEPAL

Humadevi Paudel, 63 years old, NP-47, Mulabari, Syangja, joined the Triangle Support Project. Her life was hard because of no income in the family. The traditional agriculture system has not been able to provide enough food so there is only 3 to 6 months of food sufficiency from her own production.

But after joining the Triangle project, she gets the alternative way to earn money. To fulfill her needs, the village committee paid her a microloan Nrs 8700.00 without any interest. From this money she purchased 1 goat. That goat gives two kids and she started to rear. Recently she has 3 goats when valued by the local market price, goats worth more than NRs 30000.00.

She has a lot of hope and speak with smile "I will not suffer from any type of financial crisis to handle the household economy In the future. I would like to thank the Danish donor for supporting the village."

5. Activity Plan

5.1 Responsible for the implementation

The village committee plays the vital role to implement all activities. After that the rural municipality's ward Secretary, the social mobilizer of ASK, the rural municipality social mobilizer and the Triangle responsible person Hari and Lekhnath also supports in implementing and monitoring.

5.2 Any proposals submitted to the Municipality or District and approved

4 projects were supported from government side. All 4 by the municipality:

- MulabariKholo to Belimare small irrigation project
- Toilet construction at community building
- Irrigation canal repairing Tunikhola to Gairha
- Bee keeping training with support of bee hive

5.3 Villagers own initiative

The villagers have to contribute a minimum 20% cash/ kind (unskilled labor) as per the rules of the government of Nepal for supported projects by the municipality as the above, which was done.

All committee members worked voluntarily for Triangle support activities.

				Dalit	Janajati	Other	Total
NA				NA	NA	NA	NA
Remark: NA - Not Available (All the money spent on income generation activities, please see above)							
6. How were beneficiaries selected?							
<p>After finishing the settlement level planning the village committee's members organized another meeting and established criteria for the distribution of money. Generally, the villagers followed priorities for the distribution of money used by LGCDP (Local Government Community Development Program) indicators:</p> <ul style="list-style-type: none"> • Families with no or very little land • Needy people • Poor housing conditions and lack of food for the whole year • Persons with labor-based livelihoods (for others) • Unemployed families and needy people • No guarantee for settlement and most earthquake affected persons. 							
7. Ongoing activities update, results of the activities from Donor funding in 2017							
<p>All planned activities were completed. The grant Nrs 75000.00 (DKK 5000) invested for micro loan to women, poor and needy people for different income generation activities and benefited 9 families. Out of 9 families:</p> <ul style="list-style-type: none"> • 7 families got a microloan of Nrs 60900.00 (7 persons*Nrs 8700.00) and have started raising of goats. • 2 families got a microloan of Nrs 14100.00 (2 persons*Nrs 7050.00) and have started commercial and off season/seasonable vegetables farming. 							
8. Doing Democracy training							
From the relevant rubric: What did you learn from the training? Any improvements in the village because of the applied method? Any conflicts as a result of the activity? (Learning)							
<p>Public Social Audit: We have to learn.</p> <p>Community Score Cards: We need to know and want to improve our healthpost and school.</p> <p>Right to Information: We heard but not aware how to use.</p>							

Other methods (SLP): This is a very good and participatory method to know the planning system and the selection of most needed projects. The villagers are now committed to do the SLP themselves with small help.

9. Micro finance update

9.1 Money collected in the fund for microloan generated from Danish donor funding

Nrs 75000 is distributed in 2017 as a microloan.

9.2 Use of microloan and status

- 7 families got a microloan of Nrs 60900.00 (7 persons*Nrs 8700.00) and have started raising of goats.
- 2 families got a microloan of Nrs 14100.00 (2 persons*Nrs 7050.00) and have started commercial and off season/seasonable vegetables farming.
