NP-11 CHILAUNEKHAKA

GANDAKI PROVINCE - SYANGJA NEPAL

M

Sir Kumari Magar - 46-year-old woman from NP-11, Chilaunekharka, Syangja joined the Triangle Support Project. Her life was very hard with very little income from husband who works for other farmers and it was very difficult to obtain food. The traditional agriculture system has not been able to provide enough food for this family from their own production. After joining the Triangle project, she obtained a microloan of Nrs 10,000 through the village committee without any interest, which she used to purchase 2 goats from the locality to add to their own 2. After a few months she was able to produce 4 male goats gaining Nrs. 40,000.00 and now she has 8 goats again. Her income is increasing and she is not suffering from any type of financial crisis to handle the household economy and now she would like to thank Triangle/ASK and the donors who supported.
