

# REPORT FROM ASK/TRIANGLE

NP-13 DUMSAKHOLA

GANDAKI PROVINCE - SYANGJA NEPAL

*Chaman Gurung -57-year-old, from NP-13 Dumsakhola Syangja joined the Triangle Support Project. His life was very hard because of no regular income of family. He has needs to knock the door to the local money lender. His little land with traditional agriculture system has not been able to provide enough food for the family*

*After joining the Triangle project, He obtained Nrs 5,000 through the village committee microloan without any interest, which he used to purchase 100 local small chickens. After 4/5 months he was able to sell those chickens with a higher price than purchase and made eighty thousand rupees. Now he has 10 chickens and thinking to make more than 100 again. His income is increasing day by day and he is not suffering from any type of financial crisis to handle the household expenditure.*

*Now he would like to thank and would like to see Anne Margrethe Roslyng again in the village and Triangle/ASK.*

<b>Remark:</b> NA - Not Available (All the money spent on income generation activities, please see above)				
<b>6. How were beneficiaries selected?</b>				
<p>After finishing the settlement level planning the village committee's members organized another meeting and established criteria for the distribution of money. Generally, the villagers followed priorities for the distribution of money used by LGCDP (Local Government Community Development Program) indicators:</p> <ul style="list-style-type: none"> <li>• Families with no or very little land</li> <li>• Needy people</li> <li>• Poor housing conditions and lack of food for the whole year</li> <li>• Persons with labor-based livelihoods (for others)</li> <li>• Unemployed families and needy people</li> <li>• No guarantee for settlement and most earthquake affected persons.</li> </ul>				
<b>7. Ongoing activities update, results of the activities from Donor funding in 2017</b>				
<p>All planned activities were completed. The grant Nrs 75000.00 (DKK 5000) invested for micro loan to women, poor and needy people for different income generation activities and benefited 11 families. Out of 11 families;</p> <ul style="list-style-type: none"> <li>• 7 families got a microloan of Nrs 35000.00 (7 persons*Nrs 5000.00) and have started raising of goats.</li> <li>• 4 families got microloans amounting to Nrs 40000.00 (4 persons*Nrs 10000.00) and has started small poultry business promotion.</li> </ul>				
<b>8. Doing Democracy training</b>				
<b>From the relevant rubric: What did you learn from the training? Any improvements in the village because of the applied method? Any conflicts as a result of the activity? (Learning)</b>				
<p><b>Public Social Audit:</b> The people and the facilitators have learned that this is a necessary component to make the government and service provider accountable. We have trained the villagers, but the actual VDC Public Social Audit will take place later this year in the new context of restructure of federal state Nepal, ie with ward and municipality (VDC is abolished).</p> <p><b>Community Score Cards:</b> It is one of the most important components to improve the government service to the peoples and make the service provider better and accountable. In the process, health posts will be targeted later this year.</p> <p><b>Right to Information:</b> The knowledge about RTI is now increased.</p> <p><b>Other methods (SLP):</b> This is a very good and participatory method to know the planning system and the</p>				

selection of most needed projects. The villagers are now committed to do the SLP themselves.

**9. Micro finance update**

**9.1 Money collected in the fund for microloan generated from Danish donor funding**

The fund for providing microloans has increased over the last 4 years. Apart from the 75,000 NRS from 2017, a sum of 185000Nrs paid back from previous years was added to make 260000 NRS for distribution in 2017/018. The 45 families who got the micro loan for goat raising, bee keeping and pig raising at village in 2016/017, have got benefits and successfully repaid loans amounting to 185000 Nrs.

# Message from Village.....

*The families who got the micro loan for goat raising, pig raising, buffalo keeping, bee keeping and vegetables farming for several years have received a lot of benefits and extra money (Minimum Nrs 1000.00 to maximum Nrs 50,000.00 per year) which was spent on dresses and books for their children, food and some clothes for the family and saving also. We feel that our livelihood is improving, and would therefore like to remember those who supported us in this village.*

*Our (women, children and all the villagers) health and living situation have improved because of income generation activities, awareness training and small infrastructures development support. We are getting lot of success here in the village from your support. We are really happy with such kind of support to the village to fulfill basic and real needs here in the village!!!!*

*It is really memorable!!!!!!!*

## Thank you!!!!!!
