Remark:				
6. How were beneficiaries selected?				
<p>After finishing the settlement level planning the village committee's members organized another meeting and established criteria for the distribution of money. Generally the villagers followed priorities for the distribution of money used by LGCDP (Local Government Community Development Program) indicators:</p> <ul style="list-style-type: none"> • Families with no or very little land • Needy people • Poor housing conditions and Lack of food for the whole year • Persons with labor-based livelihoods (for others) • Unemployed families and needy people • No guarantee for settlement and most earthquake affected persons. 				
7. Ongoing activities update, results of the activities from Donor funding in 2017				
<p>All planned activities were completed. From the grant Nrs 75000.00 (DKK 5000), Nrs 65000.00 invested for micro loan to women, poor and needy people for different income generation activities and benefited 6 families. Likewise Nrs 10000.00 was spent for small infrastructure development. This is described bellow;</p> <ul style="list-style-type: none"> • 4 families got a microloan of Nrs 40000.00 (4 persons*Nrs 10000.00) and have started raising of goats. • 2 families got a microloan of Nrs 25000 (2 persons*Nrs 12500.00) and have started commercial and off season/seasonable vegetables farming. • Nrs 10000 used to repair rural motorable road. 				
8. Doing Democracy training				
<p>From the relevant rubric: What did you learn from the training? Any improvements in the village because of the applied method? Any conflicts as a result of the activity? (Learning)</p>				
<p>Public Social Audit: We have to learn.</p> <p>Community Score Cards: We need to know and want to improve our healthpost and school.</p> <p>Right to Information: We heard but not aware how to use.</p> <p>Other methods (SLP): This is a very good and participatory method to know the planning system and the selection of most needed projects. The villagers are now committed to do the SLP themselves with small help.</p>				
9. Micro finance update				
9.1 Money collected in the fund for microloan generated from Danish donor funding				
<p>The fund for providing microloans has increased over the last years. Apart from the 65,000 NRS from 2017, a</p>				

sum of 70000 Nrs paid back from previous years was added to make 135000 NRS for distribution in 2017/018. The 7 families, who got the micro loan for goat raising last year have got a lot of benefits and successfully repaid loans amounting to 70000 Nrs.

9.2 Use of microloan and status

- 11 families got a microloan of Nrs 110000.00 (11 persons*Nrs 10000.00) and have started raising of goats.
- 2 families got a microloan of Nrs 25000 (2 persons*Nrs 12500.00) and have started commercial and off season/seasonable vegetables farming.

Message from Village.....

The families who got the micro loan for goat raising, pig raising, buffalo keeping, bee keeping and vegetables farming for several years have received a lot of benefits and extra money (Minimum Nrs 6000.00 to maximum Nrs 20,000.00 per year) which was spent on dresses and books for their children, food and some clothes for the family and saving also. We feel that our livelihood is improving, and would therefore like to remember those who supported us in this village.

Our (women, children and all the villagers) health and living situation is improving because of income generation activities, awareness training and small infrastructures development support. We are getting lot of success here in the village from your support. We are really happy with such kind of support to the village to fulfill basic and real needs here in the village!!!!

It is really memorable!!!!!!!

Thank you!!!!!!
