Message from Village.....

The families who got the micro loan for goat raising, pig raising, buffalo keeping, bee keeping and vegetables farming for several years have received a lot of benefits and extra money (Minimum Nrs 3000.00 to maximum Nrs 12,000.00 per year) which was spent on dresses and books for their children, food and some clothes for the family and saving also. We feel that our livelihood is improving, and would therefore like to remember those who supported us in this village.
