

REPORT FROM ASK/TRIANGLE

NP-29 BARPIPLE

GANDAKI PROVINCE - SYANGJA NEPAL

Narayan Ramesh Dhakal- 42 years old man from NP-29 Barpipe, Syangja.

Narayan had a lot of problems. He went to Qatar three times but did not get either a good job or income. He was worried about his life and frustrated because he has school going children, old father and mother and wife have no income. Narayan has got the idea to be self-employed at his own village because of the Triangle individual donor.

Now he got the micro-loan for goat raising and purchased two pregnant goats initially from the locality. After one month those goats gave two kids and he started to rear. Recently he has four goats. After a year, he will sell the two goats and get more than 18000.00 rupees which will help to repay the loan and the other two goats will be his own.
