NP - 55 HALEDE

BAGMATI PROVINCE - KAVRE NEPAL

NP-55, Halede, Kavre- By using mutual fund NRS 25000 of core program for road repairing with partnership of municipality is now completed. After reconstruction of road the villagers are happy because now it is easy to go to the market at Ngarkot to sell the vegetables and milk.

The village was far from municipality headquarters. People have a lot of frustration because of no any systematic development. So, the citizens have no access and control government resources. After they learnt the local democracy (SLP) from ASK/Triangle then it was possible to get the partial support from municipality for this project and other 2 project as well.
