<p>After finishing the settlement level planning the village committee members again organized the meeting and made the criteria for distribution of money. Generally the villagers followed priorities for the distribution of money used by LGCDP (Local Government Community Development Programme):</p> <ul style="list-style-type: none"> • Families with no or very little land • Poor housing conditions • Lack of food for the whole year • Persons with labor-based livelihoods (for others) • Unemployed families • No guarantee for settlement, etc • Most earthquake affected persons 							
7. Ongoing activities update, results of the activities from Danish Donor funding in 2019
